Happy March, members!

February was its usual quiet month at the Club (Super Bowl Sunday excluded).

While we had a decent number of gatherings along with our usual Friday night crowds, we were able to focus on a few new projects to make the Club even more fun for members. New TVs were installed in the hall and lounge, we added a few video games for entertainment and are now looking to expand our beer tap list with an opportunistic acquisition of a new cooler and tap system from a local resident that is relocating to the East Coast. We are also sourcing bids and alternatives to address "Lake Boat Club" that greets us all when we enter the gates. Hopefully, we will have answer to this ongoing problem very soon.

March is going to be an "up" month as we climb towards spring and summer and boating activity increases. The Board and committee heads are coming up with great ideas for more events and activities for 2019. Keep an eye on the club calendar on the website for the latest. Be sure to join us on March 3rd to celebrate the Boat Club's 79th Birthday!

See you at the Club, Jonathan Schoen, Commodore

Hello Members,

We had a very successful and fun Super Bowl Party! Thanks to all who came down and enjoyed the awesome food, thanks to our Chefs Jeff and Orion, and not so fun game.

The Valentine's Day Brunch was well attended and the bottomless mimosas were a great hit. Thanks to all who supported this event.

The annual Children's Easter Party and Egg Hunt will be on Saturday, March 21, starting at 11:30! Mark your calendars! It is an event full of activities and excitement for the young ones. We will have the appearance of the Easter Bunny and Toby the Clown doing face painting and other activities. We will provide a hot dog lunch.

A lot of activities have been planned for March please check the Club's calendar. We hope to see you at the Club and enjoying them in the company of friends and members. Cheers here's to a happy and fun March.

It is time to start wishing for sun and warmer weather. It's nice to have all the rain since San Diego really needed it but I am ready for boating. If you didn't come to the Boat Club for Super Bowl Sunday you missed a great party. Kevin Peterson with the Bar and Galley put on a wonderful event. Thanks to all the staff and board members whom helped.

Now to move on to March and a few club events coming up: March 2 is our club Mardi Gras party bring your beads and masks and sign up for our 1st ever Crab and Shrimp Boil with taters, corn of the cob $15. If you don't like fish we will also feature Gumbo for $10. Myself and Krew have it dialed in but we don't want to leave anyone out or prepare too much. So we are asking for a head count, sign up with the bartenders. We have Mo Jo Jackson performing for us. Dinners served from 5:30 to 7:30 p.m. Hurricanes and other drink specials all day. Music at 7:30 p.m.

March 3 is our "79" birthday celebration for our club. Stop by to ring in another year and for cake and ice cream. Dress attire is past and present boat club attire. Later that day we are saying goodbye to a long time member Brandi Johnson. She is moving away and she has arranged for a band in the patio area in the afternoon. The galley has agreed to stay open till 5 pm. March 9 is the Annual Islanders food contest **see flyers** for entrees or check the website calendar.

St Paddy's Party is March 16. Get your green on and celebrate with us. We are serving my famous corned beef and cabbage, taters and fixings from 5:30 to 7:30 p.m. Music by Scratch at 7:30 p.m. Green beer and drink specials Again we need a head count. We ran out last year and we don't want to turn anyone away hungry. Sign up with bartenders, price for dinner is $15 person. We will also feature an assortment of raffle prizes as we have every year. So if anyone wants to donate a nice basket it is highly appreciated.

We are in the process of having our new T-shirts and sweatshirts made, featuring our original logo. Hopefully, I have them in within a few weeks. We will discount some of the current merchandise to make room for the new. Prices to be determined. We are current sold out of men's T-shirts and sweatshirts, they are on order.

Events are filling up for the summer months. Check the event calendar on the website then contact me if you interested in hosting a party. So long winter. Bring on spring. See you at the Boat Club.

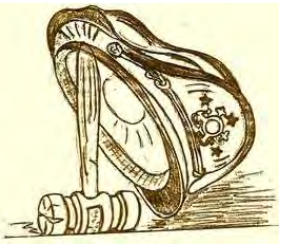
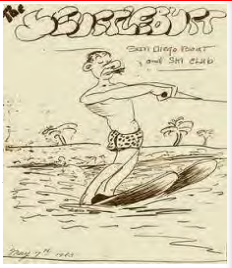
San Diego Mission Bay Boat & Ski Club
2606 N. Mission Bay Drive, San Diego, Ca. 92109-6833
CLUB: Phone (858) 270-0840



Happy Birthday to the San Diego Mission Bay Boat & Ski Club Celebrating 79 years!



On March 4, 1940 thirteen members formed the San Diego Speedboat Club. WW II curtailed operations until 1946. The City donated a new pier to the Club at the foot of Ownes Street in South Bay. Major Harley Knox officiated at the first Program in San Diego Bay.

In 1950 a long-term lease was negotiated with the City for 350-foot frontage at 3440 N. Harbor Drive. The Club was moved from South Bay to what is now Harbor Island. In 1951 a 15 x 30-foot building was moved on the site. The Club held regular water sports events for the City on Harbor Day and various occasions. In 1953 the club became a charter member in the Pacific Coast Speedboat & Water Ski Association. The Club was the leader in various water events working with the City.

A Club merger took place in 1964 with the San Diego Boat and Ski Club and Mission Bay Boat Ski Club, with the purpose for moving to a new site on Mission Bay. The Club hosted several American Water Ski Association National Championships. Under the Direction of Commodore Herb Billings and members including Byron Miller and crew moved the Club. The old Club building was spliced together and moved to the new (present) site in 1965. A group of tired men and women gathered to celebrate the Grand Opening Day. Mayor Curren cut the ribbon May 2, 1965 to start the festivities and the Tide Teens held a flag raising ceremonies.

The By-Laws were changed in 1969 from a "Man's Club" and set up as Family Memberships. The Women's Auxiliary went inactive. The Mission Bay Park Planning Committee designed the Mission Bay Master Plan and set aside a location for the Club east of Sea World currently known as South Shores.

The traditional Penguin Day started January 1, 1954 with 55 skiers. The Blind Ski Program originated in 1963 by "Sandy" Lo Presto (2nd most decorated hero in World War II), after he passed away Ron George took over the leadership. The program continues during the summer months with 100 participants each year. The Club also works with handicapped children at various events.

By-Laws were changed to add a Limited Membership to the Club June 2004. They are also known as the "Ikuna Koa Outrigger Canoe Club." They have a passion for paddling and the ancient traditions surrounding outrigger canoeing. They participate in the Outriggers Races.

San Diego Mission Bay Boat & Ski Club is comprised of several different subsidiaries and there is a large range of activities available with these groups. The Convair Ski Club became a Satellite of our Club in 1996. The club provides waterskiing and wakeboarding. Special water events are scheduled throughout the year. These Clubs help with the Blind Ski and various other Club events and contribute greatly to the success of the Club's water activities.

The San Diego Mission Bay Boat & Ski Team changed their name in 2010 to the San Diego Water Ski Team. They participate in Regionals and National Ski Tournaments throughout the U.S. The Ski Team as a Satellite Club originated in 1980. They have formed their own association but assist with the Blind Ski Program. The Ski Team maintains Hidden Anchorage including the jump and slalom course; they have built a new dock in Hidden Anchorage and Breakwater to protect the entrance. Several members have been on the World Team, they are Inductees into the American Water Ski Hall of Fame: Charles Stearns 1982, Karin Roberge Woodson 1994, Larry Penacho 1995 and Carl Roberge 2006. The Club Emblem was designed after Larry Penacho.

Our goal is to provide education, skill and knowledge of water sports, relaxation, entertainment, and pleasure to it's members, to promote the City of San Diego as a recreational center, and to contribute to the support of such charitable institutions as it's Board of Directors may from time to time designate.

Ongoing improvements and continuing repairs have been completed over the years. The Club now has over 250 memberships. Commodores and Club Members have diligently worked for the continued existence of the Club. We have strived to accomplish this story and our survival. We remain a "Family Oriented Club." Thanks to all our members past and present.

Saltwater Fly Tying Class

Mar 14 & March 21, 2019
6:00 PM - 8:00 PM

This class will move along at an accelerated rate. Therefore, all tyers considering this class should have some familiarity with general tying skills (whip finishing/half hitching, pinch wrap, use of dubbing, etc.), and have their own vise and tools. If these terms seem like Greek to you, please register for the Novice class - you will have a much more enjoyable experience in that class, and you will have more personalized instruction. Now, back to the Intermediate/Advanced Class.

- We will be tying 2 flies each night. I'm going to specify 5 of the 10 patterns, because I want to be sure we cover a specific range of materials, techniques, and fly styles. Patterns relevant to surf/bay/inshore species will be emphasized. For those of you who sign up for the classes, I will be sending an email to you, soliciting ideas for additional patterns. The preset flies will include: Clouser Minnow, Chuck's 'Chovy, Surfin' Merkin, Bonefish Scampi, Borski's Bonefish Slider.
- Your cost for this course will be $25.00/person (payable in cash to Chuck on the first night of class). This cost is to cover the materials used in the class. Practice materials are not provided for this course. I'll send out the materials list and Outlook calendar invitations to those people who successfully register for the class. Note that I will be encouraging you to do "homework", as it will immediately improve your tying skills, but I won't kick you out of the class if you don't do any. Connect with **Chuck Waterman** for additional information.

Dock Updates

The rubber bumper material is failing on the dock at present. I have reported it to the Commodore and Board. I have plans on either repairing it or replacing it in full in the next 60 days so that it is ready for boating season. Other then that it is functional.

Patrick Adams, Dock master

Check out the Boat Club Ramp refurbished by Monti Barnes. Thanks Monti!
