## Independence Weekend ~ Rolling Bicycle Parade

### The Fourth of July Rolling Parade and Celebrations

The Bike Parade on Mission Bay started at the club. Members and friends (brought their wheels to the Boat Club for a full day of festivities to celebrate our Nations Birthday. It's Fireworks and Mission Bay access without the worries of fighting for parking. They brought Wheels: Whether it was a Bicycle, Skate Board or Roller Blades. It was a fun Parade around the NE region of Mission Bay. Costumes were outstanding. The decorations for the bikes were exceptional. The parade route took us to Fanuel Park on Sail Bay and back! (some of our non-kid riders ventured off for a little PB bar hopping). It was a really fun way to get in the patriotic spirit!

Chairperson – Susan Fall

### Spectacular Fireworks on enjoyed on Mission Bay.

Kudos to Christopher Dale for obtaining an excellence performance on Saturday night by "SCRATCH" an Acoustic Soul Trio. Saturday night was a great Movie Night Sponsored by Jennifer & Mark Penafior. Popcorn and ice cream were compliments of the Girls 2004 Blast Soccer Club

### "Never Lose Sight" by Scott Leason

Thank you Challenged Athletes Foundation operation rebound for the training grant and the San Diego Mission Bay Aquatic Center where I have trained for the last 12 years with the last three years training in wakeboarding with the goal to go to my first Wakeboard tournament! This past weekend I became the WWA Western regional stand up adaptive champion. I made history as the very first visual impaired competitor at a wakeboard tournament and I've been invited to the WWA nationals in

Washington July 25 to July 28. I want to send a special message of gratitude to Kevin Straw the director of the San Diego Mission Bay Aquatic Center and his staff but most importantly to all my past and current instructors that has made this goal and dream of mine possible! #Operation Rebound CAF #mbac cCAF #mbac #CAForg. Scott Leason at WWA Nationals 2018. **"It all started at the Boat Club"**

As expected, July flew by in what seems like mere moments. We've continued to add new members at an amazing pace and Phil Erickson has done an incredible job managing the yard and finding boat spaces for our new members when it seems impossible to add more. July 4th week was busier than in previous years, even with the holiday falling mid-week.

The uptick in activity combined with net-new memberships has continued to be reflected in a favorable financial position for the Club overall. The Board is currently implementing several key improvements to the electrical system and the lounge that you'll hopefully notice will positively impact the safety and comfort for members. We are also, once again, looking at options for improving the parking lot using a phased approach to tackle the most badly damaged sections first.

**I encourage all of you to attend our monthly Board and Flag meeting (the third Tuesday of every month) in order to share your thoughts and opinions on any aspect of the Club you feel needs attention or improvement.**

August will be the usual, fun wind down to summer. The Del Mar Race Day, Blind Ski Clinic, and quite a few member-hosted private events will lead us right into the Labor Day weekend celebration.

Here's to a great August! See you at the Club,  
Jonathan Schoen, Commodore

## Summer Horseshoe League

Location: SDMBBSC Horseshoe Pits

**NHPA**  
National Horseshoe Pitchers Association  
*"Come Pitch with Us!"*

**Open for all class and skill levels. Thursday Evenings and Sunday Mid-Afternoons!**

Each League Event is a Doubles (2 out of 3) Elimination tourney. Individual score cards for league members are recorded for every tourney game played. Individual performance is recorded over the 8 weeks, and prizes are awarded at the final event.

Attendance for every event is not expected or mandatory. Try to attend at least one event per week to complete score cards.

Guest Players are always welcome and will be a fully vested participant in the elimination tourney of that event, just not the individual 8-week league competition.

**Check in:** You may begin your partner draw, and pitching if at least 4 league members are present. Grab a personal score card, and add your team to the tourney grid. Members may be asked to add \$10 to the Money Bag. Guests pay \$5 (\$5 for the days elimination, tourney paid out same day / \$5 toward the 8 Week Individual Competition). For lightly attended events, singles tourney can be substituted. For overly attended events, single elimination round for 1st round is optional. It is anticipated that you will record your personal scores for at least two games. 50 throws is required for establishing a handicap. Questions? Contact **Steele Young**

### It's Summer Time!

For the first time ever we sponsored a booth at the Over The Line Tournament. Many members and friends stopped by for great conversation and a cold libation. Last weekend Patrick Adams, Thomas Bosilevac, Olga and myself hosted summer games with a dinner of homemade lasagna and a movie night. Fun was had by all that joined us.

Patrick and Mike with MSW Electrical will be working on the parking lot lights next week. They expect to have them all up and running soon. We look forward to a safer parking lot.

Our event Calendar is filling up through the month of October. Be sure to book your private events now. The warm summer weather has brought wonderful boating weather. Be sure to get involved with our Boat Club, we welcome new members daily. Check out our Website under Events Calendar [SDMBBSC.ORG](http://SDMBBSC.ORG). Plenty of new Club merchandise is available and offered at our Boat Club. Have a wonderful summertime all.

Sherri Souza-Adams, First Vice Commodore

### Welcome Members:

*We are in August now, the hottest month of the year. Remember that the Club has A/C, so, to stay cool come down and have a drink or two and enjoy the company of friends.*

*Please think about volunteering at the Blind Ski Clinics, volunteers are needed that can provide boats, on the beach assisting the participants, on the water as instructors and at the Club. Mike and I have been doing it for three years, others have been volunteering longer, at the end of the day, we feel that our efforts gives us pleasure and a sense of accomplishment. So, come down and help on August 25.*

*The Fourth of July celebrations were well attended and were a financial success at the Club. The one comment I heard, a couple of times, was that there were way to many dogs, keep in mind that guests dogs are not allowed at the Club.*

*Christopher Dale has lined up the most entertaining groups for August, so, come to the club and enjoy their music. Lets continue with the trend of this year, every month has been more successful than the previous one. Cheers!* Maria Potter-Wood, Second Vice Commodore

## Send Me your Gophers...Golfers!

### Hello SDMBB&SC Members,

We hope your summer is going wonderfully. We set a great tone for the start of the season at the Boat Club and hosted some very festive Memorial Holiday parties. God surely blessed America that weekend! The Fair, Rock-n-Roll Marathon, Comic Con, The Pride Parade, OTL (where we actually had a presence and VIP Tent the first Saturday of the tournament) are in the rear view mirror. The Surf is meeting the Turf, and the Pads are in their familiar place in the Western Division of the National League looking up at everyone else – it must be near the end of July. Anyone do anything cool this summer – vacation, beach time, BC Private Party? Do your share and send Sonya Chandler, our Scuttlebutt gatekeeper some photo's. It's getting steamy in these parts, stay cool and join our Inaugural Horse Shoe League, even for 1 day. Guest players are ALWAYS welcomed, and the friendly competition matches the bubbly personality to the Tournament of our League commissioner Steele Young. The theme here? Continue to enjoy your summer in "America's Finest City".

However, **"Save the Date" for SEPTEMBER 2, 2018 for the Golf Tournament.** If you can, plan this weekend as a staycation. San Diego is the BEST place to do this! To help you accomplish this, we officially invite Boat Club Members, their families significant others, and friends to participate in the 2018 rendition of the **Mission Bay Master's Golf Tournament.** A wise person once said, our members make our events. Please let's ALL contribute and help make this year's version a success. How? At the bare min, send me your...Golfers. As last year, this event is a scramble tournament, so you will fit in fine if you don't play every week or at all. We play at the esteemed Mission Bay Golf Course which is classified as an Executive Par 58 course. Come as a single, double, ¾'s of 4some. Forget Jerry Maguire, We will complete you and your 4some. Trust me, the Boat Club golfer is social and fun – worthy of 2 ½ hours of golf and companionship. There will be closest to the pin, and long drive contests on the course. Yes there will be prizes to the winners. However, winning at the Mission Bay Masters is not always measured in the final score. Sometimes in life, just stepping up to the plate and putting your hat in the arena is winning in its own right! So take a chance and come join us, and make history this weekend. As last year, there will be liquid courage and swing lube available if you so choose (and encouraged – start your tabs...and pay them when done ha-ha). A tournament photographer will document the pre-after and golfing history in the making. So do good, because social media is in play on the correct side of the white stake.

**Ok, not golfing? Join us for the after party: Live music, tournament raffle (proceeds to charity), and catered food. It is all part of the dealio.** We are accepting Hole sponsorships this year – your Company will be artistically advertised at your hole for tournament participants, and golfing galleries. Your banner will also be displayed in a high volume area for all of Pacific Beach to see during and for a finite time after the tournament. Part of your sponsorship proceeds will go back to the Boat Club and for charity – a vital theme for the MB Masters, so we hope you can donate to this needed aspect of our event. We will accept gifts to raffle off at the after party – Restaurant – c/c gift cards, etc., anything you would want to win at a charity event pretty please. We will gladly take those off your hands.

The BC and the Mission Bay Masters Golf Tournament organizers thank you ahead of time! For further Information see **tournament organizers: Jon Reilly, Marko Penaflor and Kevin Witherell.** As last year, the

sign up list will be at the bar. You'll pay AHEAD of time: as in life, fun comes at a cost.... a well worthy one we believe in. All for now – updates coming. See you at the Club....AND The 2018 Mission Bay Masters Golf Tournament.

An event that benefits the BC and youth sports in America.

See you for the Tournament.

She infuses metaphysical and psychological metaphors into her lyrics: mirroring the genuine human experience and all the beautiful grit that goes with it.

Her performances are passionate, full of energy and a powerful expression of her art and sound. Eclectic in style and genre, her original music draws from her soulful Chicago roots fused with indie folk and Americana and she uniquely pays tribute to other artists. She's a career artist who has toured the country extensively, performs well over two hundred shows a year and has released eight records on her own label.
