Commodore's Quarters

WRITTEN BY STEELE YOUNG

Caroline Young

October 11, 1965-November 7th, 2023

Caroline Kay Young (Erdman), “Lina”, age 58, of San Diego, CA passed away on Tuesday, November 7th, 2023 surrounded by her family.

Carol was born on October 11, 1965 in Erie, PA, to Donald and Helen Erdman. She was the youngest of nine siblings. She is survived by her husband, Steele Young; daughters, Natalie (Rye) Young and Carissa (Rissa) Young; siblings, Joni (Dave) Medvec, Steve Erdman, Mary Mullenhoff (Mark Zaller), Patrick (Lani) Erdman, Susan Erdman (Dan Kunkel), and many nieces and nephews.

She was preceded in death by her parents, and her oldest sister Virginia Kuefner (George) and older brothers Thomas Erdman and Robert Erdman (Susan Moore).

Carol worked as a registered nurse for the Kaiser-Permanente hospital network in San Diego. She loved travel and for many years worked as a traveling nurse before meeting Steele in San Diego and permanently settling there. Steele and Carol were married in Mexico December 18, 1997 and enjoyed 26 of years of happiness and fun together. She loved to vacation with friends and family, to Mexico, Europe, Australia and usually the warm weather places!

For many years she also loved to travel to Dohler’s cottages in Pennsylvania for a week with all of her family and also loved her many trips to Chicago and Erie where many family members lived. All who knew her could attest to her tremendous zest and spirit for the people and places she encountered, always punctuated by her hearty laughter.

COMMODORE'S QUARTER

She was a light that shone into every door she walked through. Carol was an avid member of the San Diego Boat Club where her husband is the Commodore and participated in their many events including watching her beloved Chargers Football Team – you couldn't talk to her during the game!

She loved the privilege of being a mom and doting on her beautiful family, including her loyal pups (currently "Dude"). She had an amazing network of friends close and far away that are too long to list. Carol was lucky to have so much support and love from them – they all meant the world to her and she knew she could always depend on them, especially for a good wine party!

A celebration of Life will be held on in San Diego at a date to be determined. In lieu of flowers or gifts, please continue with her celebration of life in your own way or by toasting her. Cheers Sweet Caroline!

CLUB NEWS

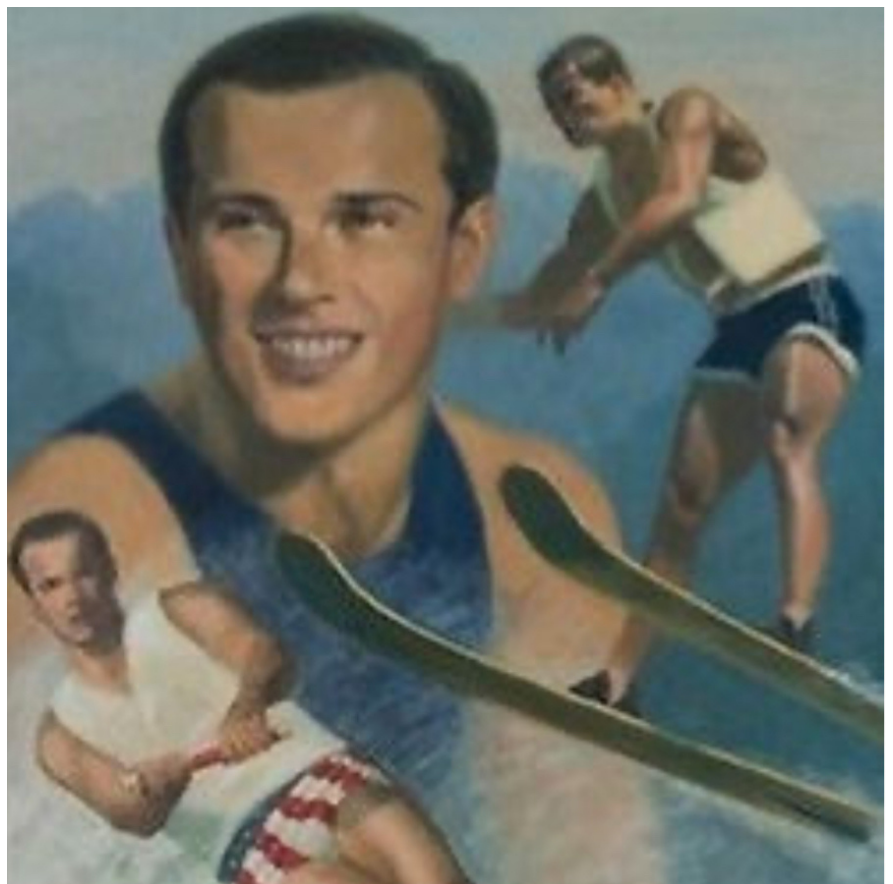

Contributed by Sonya Chandler.San Diego Mission Bay Boat & Ski Club History:

In 1958 the Western Regional Ski Tournament including the Junior Trick and Slalom was brought back to our club by Larry Penacho. His father Joe Penacho was an active member of the Club.

The Club has sponsored or assisted in every major water event on Mission Bay since 1963 such as speed skiing, boat racing, Crew Classic and provide support boats for outrigger racing. We continue to hold Blind Ski Clinic's once a month at Hidden Anchorage.

The San Diego Water Ski Team originated in 1980 was a Satellite of our Club and participated in Regionals and National Ski Tournaments throughout the U.S. The Ski Team. as a Satellite Club originated in 1980. The Ski Team built a new dock in Hidden Anchorage and Breakwater to protect the entrance and maintained Hidden Anchorage including the jump and slalom course. Several members have been on the World Team, they are Inductees into the American Water Ski Hall of Fame: Charles Stearns 1982, Karin Roberge Woodson 1994, Larry Penacho 1995 and Carl Roberge 2006. The Club Emblem was designed after Larry Penacho.

LARRY PENACHO dropped by the SDMBB&SC November 21st, 2023 and donated his picture from his skiing days and his favorite Ski "Cut and Jump." It is currently located in Chandler Hall.

CLUB NEWS

Larry Penacho

USA Water Ski Hall of Fame

You might say Larry Penacho began water skiing because his father, Joe Penacho, was a commercial tuna fisherman. It came about in the late summer of 1956. The Penacho fishing boat was in port at San Diego Bay when someone in the family suggested they take the boat around to Mission Bay and try water skiing. A cousin had a pair of skis and the boat was equipped with an 18-foot tender, which would be about right as a towboat.

Larry was 12 years old at the time. It came his turn to try water skiing and he got up on the first attempt. A year later, he was skiing in the National Water Ski Championships. His rapid development as a competition skier came about through a series of family circumstances. His father and mother, Madeline, became as enthusiastic about the sport as Larry. Joe later sold his fishing boat and began to devote more and more time to driving not only for his son but for water ski tournaments throughout California. Then, through the encouragement of Larry's older sister, Charlene, the Penacho family joined the San Diego Speedboat Water Ski Club, and Larry began his rise to the top.

He practiced for months on two skis so that his transition to a single slalom ski in February 1957 was a breeze. He finished high enough in the Western Regional later that year to earn a place in Boys Slalom in the National Tournament, which was held in his hometown. Larry began trick skiing in the fall of 1957 after watching films of Micky Amsbry, Chuck Stearns, Roger Ray and Joe Cash, all pacemakers in the event in those days. He had already tried jumping, finishing last in the Regionals with a leap of 46 feet, little realizing that his jumping would take him to World Championship heights in the years to come.

Larry won Boys tricks at the 1958 Nationals at Callaway Gardens with a score of 1721.5, the second highest total ever run in competition (Stearns had a score of 1943.5 in the Men's Division). He won Boys tricks again at the 1959 Nationals in Laconia, N.H. moving up to Men's competition, Larry won the jumping title at the Minneapolis National in 1960, and captured the overall national title at Long Beach in 1963.

While still in the Boys age bracket. Larry made his mark in the Masters. He won the Boys overall title in 1959 with a victory in Slalom and second in tricks and jumping. He then made a clean sweep in the 1960 Masters, and his name became the second to be engraved on the famed Masters Trophy (Nancie Rideout was the first in 1959).

But it was not his victories that Larry remembers most about those early Master Tournaments. It was the advice he received from a future Hall of Famer, the late Joe Cash. Joe changed my jumping style, Larry recalls. He told me to lean forward over my toes and get out of a squat position.

The advice worked so well that the Penacho spring off the ramp became the talk of jumping specialists and led to his victory in the Long Beach World Championships in 1961 and again at the World meet in Australia in 1965.

In retrospect, the Long Beach jumping triumph was Larry's greatest thrill in all of his year's of water skiing. I was just 17 years old at the time, Larry remembers, and it was an honor just to be in the tournament. I shall always remember seeing the sun going down as it came my turn to jump. The moment I left the ramp, I knew it was a good one. It was - a record leap of 150.8 feet.

Larry was born Lawrence Joseph Penacho in San Diego on September 21, 1943. At the time of the induction, Larry had been teaching mathematics for 28 years, the most recent years at Patrick Henry High School. He was also a wrestling coach for 26 years.
