WRITTEN BY STEELE YOUNG

New News – Is that redundant?

Things that we may not know: Kayak Rental is available to all members and their guest for only \$10. See the bar tender for waivers and details.

Toast POS upgrade is coming. Kick off preparation meeting is Nov 10. You will be advised of new time and labor-saving features that you can participate in, before the year end.

Galley Revival Project is underway. Executive Chef Hanis is leading both Operational Process improvements, as well as Event Catering Management. Be sure to say hi to Hanis when you see him.

A spike in new rentals and outside events has occurred. In Nov, Dec, and Jan we will have PBTC Meet and Greet, Fire Station 21 Christmas Party, and the rather large Installation Dinner for the Town Council.

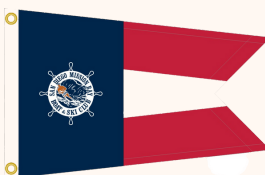

Please consider our space for any holiday gatherings, pot lucks, gift exchanges and such. We have lots of space, and smaller groups are free.

Did you know there will be a Murder Mystery Comedy Night on Dec 2 nd ? Like everything else, the Commodore will be blamed, I'm sure.

Happy November!

Sea You at the Club!

BRYTON STOLL (On Tour)

His original songs found their way to the center stage opening shows for country greats Shenandoah and Clint Black.

Fri, Nov 17th - 7pm to 10pm

MIKE NASH (On Tour)

Southern Rockin' Country with a twist of lime, a splash of salt water, and distilled in the backwoods of Tennessee, here comes touring singer/songwriter Mike Nash! With storyteller songs about life and love, lyrical tales from the unique people he's met along the way, and of course plenty of summertime "drinkin' at the lake tunes" with an island-inspired twist, there's something in a Mike Nash show for everyone to relate to.

November Live Music

Fri, Nov 24th - 7pm to 10pm

MENEHUNE CAMP

Huge mahalo to Uncle Marc "Hapa" Hammer, one of IK's past Presidents and paddlers, for exceeding his own expectations and creating 9 brand new pu, making one offending shell a little less "pain in the lips," admiring several others, and making countless memories. He shared his own extensive collection of awesome pu, patiently talked with, and listened to, excited and interested Opio and KAH about their own special shells and what they'd like, and then helped them create it. And what a fun story for the ages, eh? — "Wow! You made this? How did you learn?" — "Oh. From a kupuna. With my friends. On a sunny day. Sitting under a tree near our canoes." Ah. As it should be. This is the way. Imua, Na 'Opio.
