Commodore's Quarters

WRITTEN BY STEELE YOUNG

Wrapping Up the Year!

Year two is almost in the books. I feel like we have done well and had some fun along the way. My assessment is that the Club is in good form, and will have a solid financial year in the books.

Moving forward, I have feel like the Commodores and the Officers will have a need to change focus a bit. Since operations and financials are stable, we should have the opportunity to shift some of our focus from internal to external.

The Environmental Impact Report for the De Anza Natural project could wrap up as soon as 3rd quarter 2023. Between now and then, I see it as a good use of our officer's time to shore up our relevant alliances. Namely, our yacht club community at SDAYC, PB Town Council, our current partner clubs & organizations, and especially the city of San Diego. It's time to refocus on our charter and position our best interests in the most advantageous light as possible, while having a clear and practical Plan B in our backpocket.

I still don't believe anything will physically happen regarding our property for the next 10 years, but we have talented and experienced members, officers, and friends that can steer the direction of the club in such a way that our future will remain out of jeopardy. Thanks everyone for your support and your contributions to our little 4 acre jewel on the Bay.

Sea You at the Club!

JAKE ALLEN

"Jake's amazing, jaw dropping two-handed guitar technique puts him in a class all by himself!"

– Jim Earp, World Class Fingerstyle Guitarist. Influenced by finger-style guitar trailblazers Michael Hedges and Andy McKee, Eastern Michigan-based Jake Allen began crafting his own breed of acoustic guitar wizardry. On top of his two-handed percussive tapping style, he added live looping to create a more in depth stage performance. This new solo approach, in which he blends different percussive and instrumental parts, recorded live and on the spot, into a virtual clone-like backing band, showcases the true depth of this multi-talented artist.

BOARD OF DIRECTOR NOMINEES

Ira Lindenfeld

I am Ira Lindenfeld and I am running for a Trustee position at San Diego Mission Bay Boat and Ski Club.

Janie and I joined the boat club in January. We have attended several Flag Meetings since and continue to be impressed with the structure of the board and the follow through on improvements. I would like to be a part of that process.

I am retired after working in the automotive industry. I have voluntarily served on other boards. I have been told one of my strengths is my fairness in weighing options and my ability to assess and resolve issues.

I would be proud to serve on the board.

Todd Toth

Il am a mountain man with a beach bum heart. I grew up in Mission Bay Area, graduating from Mission Bay High School and UC San Diego. I remember running by SDBBBSC during high school football practice.

My wife and I live in the mountains in East County and so the Boat Club is our home away from home. Being a member of the boat club allows me to stay connected to my beach roots.

I joined the Boat Club in August 2021 as a member of the Ikuna Koa Outrigger Canoe Club. My wife and I quickly came to love the people and the experience of being part of such a wonderful organization. Wanting to do more and to become more involved, we became Flag Members earlier this year.

I am dedicated to preserving the history and tradition of SDBBBSC while simultaneously helping to usher in a successful new chapter as we continue to thrive under Steele's leadership. I have a wide breadth of knowledge and experience from construction and electrical, to running my own small business that I feel can be an asset to our board.

I work from home, giving me the flexibility to be available when needed and I am regularly at the club to attend club events as well as Ikuna Koa practices. Thank you for considering me to serve as a board member.

BOARD OF DIRECTOR NOMINEES

The "boat club" or SDMBBSC feels like family and is a wonderful place to escape to. My intent is to give what I can and make a difference where there is mutual agreement. My past has at least 500 events of all kinds of my design to reference over the last 35 plus years. My give back time has included being on the Board of Directors, the last of which was an IRS designated 501(c)(3). What matters most is the future. I have a lot of ideas and energy that with the alignment of others, I would be honored to spearhead. Damon Whittle

Bill and wife Denise joined the club several years ago and enjoy being members. We bought our house in PB in 1987 when things were affordable. Denise just retired from the City of San Diego last May after 35 years. I retired in 2013 from the Western Independent Bankers Association where I headed up consulting and services along with membership. Prior to working for the association, I had 40 years in financial services dating back to 1977. During those years I held executive positions with several fortune 100 companies. Ultimately, I started my own consulting company which was focused on community banks and super regional banks along with credit unions. In addition to the consulting I started numerous internet companies the most successful ones were Americas Family Bank and Americas Financial network which were sold to American General corporation. Locally I have served on the PB planning board which approves construction in PB. Volunteered consulting services to local startups and to community projects. In addition, I also started Scooterban.com which collected thousands of signatures in support of Barbara Bry's moratorium on the Scooters in the beach area.

PUT IT BACK WHERE IT BELONGS

The Boat Club has four sets of Cornhole games and at least four sets of Bocce Balls. They are kept in the Aztec container bin for members' and guests' use. Please remember to put them back in the container bin where you found them. If left out, they will be damaged from the weather and sprinklers. Also please do not put your beach chairs, pop-up tents, and camping tables in the container. It seems to have become a second garage for some of our members. The club needs all the space in the container for stage, tools, and club equipment. If you need to use any of the club's tables, chairs, ice chests or anything from the club, **PLEASE PUT IT BACK WHERE YOU GOT IT.**

Thank you for your understanding and support in this request.

Lefty Churchill, Sergeant At Arms

ATTENTION: BOAT OWNERS

If you have a boat stored at the club, remember your signed agreement says you will **keep the area around your boat clean**, this includes leaves, weeds, trash and the like.

A few boats have torn covers and tarps, which should be fixed or replaced, a couple even have flat tires. Please make an effort to keep up your end of the signed agreement and check your area every couple of weeks.

A few years ago we had to charge an assessment to each spot to cover having someone come in and clean the whole yard. The Board doesn't want to have to do that again.

ikunakoa.com

Order Produce boxes 1 week prior to delivery date. Join the IKUNA KOA PRODUCE BOX FUNDRAISER GROUP on Facebook to order, or text Paula Goleta at 619 952 4713.

A regular box (\$27) is a smaller sized box has 13-15 different items. We recommend this for 1-3 people. A Jumbo box (\$38) is the larger sized box 1.5 x the quantity of the regular box. This recommend for families of 4-6 people for the week.

Delivery dates:

November 15
December 20

Kukahi, Mahoa, Calvin, Ohana, Holokai, Halani, Nalani and Makana

Please keep children and pets away from the canoes. Most of them weigh over 400 lbs.

November 6, 2022 Na Opio of Ikuna Koa will be participating in ADR Another Dam Race in Arizona. We will double hull our two Malia class canoes, Halani and Nalani. We strap them together and one canoe acts as the outrigger. It's a very stable setup and a lot of fun.

A big thank you to Corey Mitskevich for helping Kuna Koa to maintain our canoe trailer. Over the years he's helped with general maintenance of the trailer from tires to electrical components. He's replaced electrical wires and lighting for the trailer.

During our nonracing off season we will continue to paddle as often as the weather will allow. Adult Practice 6-8pm Tuesday and Thursday: 9:00 -11:00 Sunday. Na Opio 19 and under Saturday 9:00-12:00pm. We usually stay after and enjoy brunch at the galley. Contact Paula Goleta for more information.
