The Golden Ticket Explained!

Happy Brand New Year herby labeled 2023. I guess it's up to us to determine what we are going to do with it, and all it determines to bring to us. From a membership stand point, here what we intend to accomplish in 2023.

Natural attrition in membership averages around 10% over a year. These are folks resigning due to relocation, work, death, boredom, or change in perspective. At this moment we have about 313 membership families. By the end of 2023, the goal would be to have a minimum of 313. The plan is to be proactive and spike up above the expected attrition level now.

We don't just want more bodies; we want more of "you". The folks that make our club fun, positive, cooperative and giving. The Golden Ticket belongs to you as a member benefit. You may present the near free "membership initiation" to anyone that you would like to become a member of SDMBBSC. Perhaps give it to someone of like interests that you would like to be spending more time with. Only you know who the next ideal member is and I cannot wait to meet them. The board approved the special through May, but holds the rights to take it down early if we achieve a determined ceiling.

Check your email for an actual Golden Digital Ticket to help you in communicating with your people. But don't wait for it. Here is the procedure:

- Get your person to commit to the \$100 deal
- Have he or she sign up on-line: <https://sdmbbsc.org/join-us> (but don't pay) Send me an email or text titled Golden Ticket: commodore@sdmbbsc.org

We will take care of the rest.

Here is to the close of another successful growth year for our club, and good wishes to the beginning of yet one more. Cheers!

Sea You at the Club!

CLUB NEWS

PUT IT BACK WHERE IT BELONGS

The Boat Club has four sets of Cornhole games and at least four sets of Bocce Balls. They are kept in the Aztec container bin for members' and guests' use. Please remember to put them back in the container bin where you found them. If left out, they will be damaged from the weather and sprinklers. Also please do not put your beach chairs, pop-up tents, and camping tables in the container. It seems to have become a second garage for some of our members. The club needs all the space in the container for stage, tools, and club equipment. If you need to use any of the club's tables, chairs, ice chests or anything from the club, **PLEASE PUT IT BACK WHERE YOU GOT IT.**

Thank you for your understanding and support in this request.

Lefty Churchill, Sergeant At Arms

ATTENTION: BOAT OWNERS

If you have a boat stored at the club, remember your signed agreement says you will **keep the area around your boat clean**, this includes leaves, weeds, trash and the like.

A few boats have torn covers and tarps, which should be fixed or replaced, a couple even have flat tires. Please make an effort to keep up your end of the signed agreement and check your area every couple of weeks.

A few years ago we had to charge an assessment to each spot to cover having someone come in and clean the whole yard. The Board doesn't want to have to do that again.
