Commodore's Quarters

WRITTEN BY STEELE YOUNG

A couple of weeks ago, City officials released a draft amendment on De Anza Cove at Mission Bay Park, calling for a balance between visitor accommodations and natural habitat restoration. San Diegans are encouraged to review the new details and provide input as the planned development moves ahead.

All high-level sketches include in the amendment, to date, show the 4 acres currently allocated to SDMBBSC as being reallocated as “Uplands & Buffers (dunes & Sage)”

We have been supporting the San Diego community for 83 years, and our intent is to continue for another 83 years. We want to contribute to the improvement plan of Mission Bay, but we simply need the final plan which does not kill our club.

The Boat Club has a unified message, and a multi-tiered plan that is underway. Your contribution is key as we move forward. Please be listening for your “Call to Action” messages from our “War Room”.

Happy Easter. Lets get on with Spring-time Festivities!

The Greening of the Biergarten

from **Maria Potter-Wood**

This project started with a conversation I had with our Commodore back in late October. I told him that I wanted to get bushes and flowering plants to make the biergarten more attractive and give it a warm feeling. Circumstances beyond my control, prevented me from starting the project right away.

In late December, my partner in crime, Dawn Handmacher, and I went to Moon Landscaping to buy the bushes and plants, with approval from Steele. They were delivered December 30. Due to the rain and storms, we had in January and February, progress was not made in the re-potting of the plants.

Presently, the main tasks have been completed, I would like to see more bushes and plants, it is still a work in progress. It took a village to get us to the place where we are now. Many thanks to Ken Ledgard who was very instrumental in procuring the wooden tubs for the large shrubs. Also, thanks to Tom and Jeri who donated the wooden half barrels and bags of soil and Happ and Jaimie for donating the truck load of soil and a lot of the plant pots.

I would like to thank the members who helped in the re-potting of the plants; Gas, Maureen, Happ, Jaimie, Mark H., Nate, Kippy and Dawn H. If I did not list your name, please understand that it was not intentional. I am looking forward to the Summer Music Festivals with all members enjoying the Biergarten. The mural is awesome, kudos to the artists.

Remember, that if you move plants around for any reason, please be sure to return it to its original place.

Here's to a great Summer, cheers!

The Blind Ski Program has many wonderful volunteers to conduct the blind ski clinics during the summer, which has made it a success over the past 60 years. This program has been lead by Ron George with the support of his wife Diane. This year is a milestone celebration and we need to recognize it as such..

We would like to honor them by celebrating with a kickoff day at one of the Concerts on the Lawn. A big birthday party sounds about right doesn't it? If you love to organize and throw parties please let anyone on the Board know so we can make this a reality.

We can dream big and think about a new trailer, etc. If you have experience in advertising, soliciting donations, or even work for a company that can sponsor or donate please let us know.
