Summer is officially over...how is that possible? Although, thinking through it a bit more, we are lucky to live where we live and "summer" is just a couple of dates on a calendar. I always think we enjoy the best weather in San Diego during what others experience as "fall" from the perspective of perfect temperature, fewer tourists, and an activity level at the Club that goes year-round. That said, farewell "summer"... it was another great one!

September itself was a whirlwind of events and gatherings at the Club. Kicking off with the Mission Bay Masters Golf Outing (myself and my team had a much improved result this year, but not even close to winning it) and moving through the month with the start of football season and a ton of other events gave everyone an excuse to make a trip into the Club.

We had another highly-effective and well-attended Clean-up Day (thank you again Tanya DeLong for organizing!) that will become regular quarterly events to keep the Club looking great. Work has progressed with power to the entire boatyard and should be 100% complete very shortly.

We are also making strides to improve our membership dues billing and collections process more efficient and accurate. I know this has been frustrating to many of you. But, we need your help as members to get everything running smoothly. If you have not signed into the member portal and set up your auto-payment with a credit or debit card, please do so ASAP. If you don't know how to sign-in, please contact Jessica Potts, our bookkeeper: bookkeeper@sdmbbbsc.org. We can get it right, quickly, but it may take a few minutes of your time to do so! Thank you in advance for your part in getting this crucial process to run as smoothly and efficiently as possible.

October is going to be another busy month of events. Be sure to check the Club calendar often for the latest happenings, or just come by and enjoy the Club and fellowship with other members whenever the mood hits you.

See you at the Club,
Jonathan Schoen, Commodore

October: As with other areas of the Club that have experienced increased costs that were addressed in Flag meetings and in previous editions of the Scuttlebutt, so too has the Galley. I was asked to address the increasing losses due to ever-increasing food, equipment, supplies, delivery, and labor costs, the entire Galley staff have been analyzing the situation. You will soon see some menu deletions, additions, and some changes of price as well as stricter portion control. The price increases are not designed to fully cover our costs, but are required.

We are also considering the elimination of the take-out containers since too, these costs have drastically increased because of environmental decisions.

While it is never popular to raise prices, they are required if we want to continue with serving food. Keep in mind that minimum wage will again increase in Jan 2020 and again on Jan 2021. On behalf of the Galley staff, I thank you for your patronage and understanding. Be assured, we will continue to purchase, prepare, and serve quality products. Thank you for your understanding.

Jack Porath, First Vice Commodore

Second Vice Commodore Maria Potter-Wood

FALL CLEAN-UP DAY

The Fall Clean-Up Day at the boat club was a total success thanks to the time and efforts of the clean-up crew: Jack Porath, Paula Goleta, Renee Donner, Maria and Mike Wood, Thomas Bosilevac, Corey Mitskevich, Dave DeLong, Greg Shaw, Chuck & Michelle Waterman, Bob Taylor, Renee & Marty Tuller, Kerry Thompson, Steve Gregor and Dick Znamirovski (DZ).

The team picked up over 6 full bags of trash, pulled weeds and did weed whacking, pressure cleaned the patio, dug a trench around the patio to prevent it from getting muddy, cleaned around all the planters, cleaned and organized the furniture, demolished 2 old sheds, cleaned and re-organized the storage container, and cleaned and re-organized the Sandbox. I'm sure most of you forgot what the sandbox looks like, so please swing by and take a look. We can actually enjoy it again!!!

The last 2 clean-up days have been such a success that we've decided to have one every 3 months. The dates will be on our calendar, but please save the dates:

- Saturday, November 16th from 9 am - 1 pm, **AND**
- Saturday, February 8th from 10 am - 2 pm

We will be placing a sheet with the bartenders so that ideas for clean-up and projects can be added. This will help us continue to work to keep our club beautiful and enjoyable.

Lastly, we will need to acquire some basic tools. If you have any spares you were planning on donating, please contact Corey Mitskevich.

Thank you again to the clean-up crew, we couldn't have done it without you!

SDMBBSC BOAT YARD UPDATE

In October 2019, SDMBBSC will begin distributing identification stickers (ID stickers) to all vessels stored in the boat yard. Each vessel owner is required to provide a paper copy (hard copy) of the following information for both their trailer and vessel stored in the boatyard: (1) Current CA vessel registration – registration numbers must be up-to-date on the vessel and the current sticker represented (2) Current trailer registration and trailer must be in operable condition. (3) Copy of vessel insurance with the SDMBBSC named on the certificate of insurance as secondarily insured. (4) Make, model; and license plate of the primary tow vehicle.

Due to the SDMBBSC lease requirements, out-of-state vessels will no longer be allowed for storage at the SDMBBSC boatyard. If your vessel cannot meet the above minimum requirements for storage in the boat yard, please make arrangement to remove your vessel from the facility. All vessels must be up-to-date by 10/31/2019.

Process to receive an ID Sticker

Each member must present the above information in person at the SDMBBSC on designated days or prearranged appointments. Once all paperwork has been reviewed and approved, a SDMBBSC representative will walk to your vessel location and inspect your vessel, trailer and storage area. Storage area inspections will include a review of cleanliness and operability of the trailer. The SDMBBSC lease defines derelict vessels as those that are not in operable condition, poor condition or the appearance of abandonment. This includes non-use for extended periods of time.

Once the inspection is complete, an ID sticker will be placed on the trailer tongue. Each ID sticker has a unique number which will represent your vessel storage privilege. This information will be provided to administration to align appropriate storage billing.

Persons will be available in the clubhouse for document review during the registration periods indicated below.

In Association With

Lefty Kreh's

Tie Fest

The *Second* Annual

Tie Fest West

Saturday, October 19, 2020

San Diego Mission Bay Boat & Ski Club
2606 N. Mission Bay Drive, San Diego, CA

Come see some of Southern California's finest fly tyers. Whether you like to fish for freshwater or saltwater species, this is a chance to meet, watch, and talk to tyers who tie (and may have invented) your favorite patterns. And if you like to tie flies, this is a great chance to see new tips & tricks.

Admission is FREE!!

Back in 2000, Tony Friedrich gathered 7 of his friends in his Maryland garage to tie flies and talk tying. Each year, more tyers asked to join the group. He ran into fellow Maryland native Lefty Kreh in a local fly shop, and told him what he was doing. Lefty told him "keep spreading the word, teach the kids, and I'll help in any way I can". Lefty's Tie Fest is now one of the largest tying events in the country, with tyers like Bob Popovics and Bob Clouser as annual fixtures, and over 2000 people come to see them. With permission from Tony, San Diego had it's first Tie Fest West in 2018. Tony's support was based on one thing: "Keep spreading the word, and teach the kids." And we will!

Featured Tyers (subject to change, more tyers on the way):

- Ryan Favorite - San Diego, CA
Calico & Bonefish (Bay) Flies
- Lucky Ketcham - San Diego, CA
