### Greetings Boat Club Members,

September was a great month at the Club, as we were able to open up the inside, on a limited basis, and we were able to provide some fantastic entertainment, provided at no cost to the Club, by a few valued members. I would like to personally thank Christopher Dale, Dave Granillo, and Gary Brownell for either playing with, or organizing the three acts that we were able to enjoy during the month. And, not only did we have fun, all three of days when we had live entertainment were very profitable for the club.

On that note, I am happy to announce that starting the second weekend in October LIVE MUSIC FRIDAY NIGHTS are returning to the club. We have booked some of our favorite solo acoustic performers to play outside on the patio throughout the month. We will be closely monitoring sales numbers on those days to make sure that having the entertainment is profitable for the club, so PLEASE come down on those nights for dinner to support your Club and also to support some of our favorite local San Diego musicians.

I would also like to thank and commend Tanya DeLong for hosting another very successful work party on Saturday Sept 12th. We had a great turn out, and got a lot accomplished, so thank you to everyone who contributed on that day. The board and the flag appreciate your dedication and commitment.

While we have made A LOT of progress in 2020 towards our goal of making the Club a more enjoyable and functional facility, but we still have some things to improve beloved but aging club. The primary focus for now is getting the gate repaired, and maintained. We are currently working on a three-phased repair plan to get the gate working 100% properly. We have completed Phase I, and are working on approving funding for Phases II and III. We hope to have everything completed by the end of this year. We have also entered into a maintenance contract with the company doing the repairs, so going forward we should have minimal or zero issues once the project is complete, and we go into regular maintenance phase.

Also, just another reminder that first nominations for our 2021 election are just around the corner, at the October board meeting, so keep that in mind if you are interested for running for office.

Stay safe everyone and I hope to see you all at the Club very soon.

Regards,

Commodore Kevin Witherell

### **First Vice Commodore, Jack Porath**

The mandated restrictions by the Governor and the County of San Diego remain and we are doing everything we can possibly do to adhere to the dictates to keep members and guests safe and continuing the business. When and where possible, we are bringing some live entertainment for your pleasure and opening the galley when feasible. Please understand that it is not at all pleasant to continually wear masks in a hot galley and when working behind the bar. Thank them for what they do for you and please take into consideration any food or drink delays caused by the change of serving venues, both outside and inside. As it causes us some delays, it is also causing problems for the staff.

Take care and God Bless.

Jack Porath

First Vice Commodore

### **Second Vice Commodore Maria Potter-Wood**

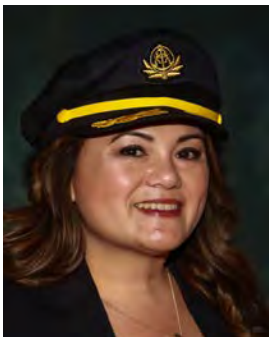

Happy October! Today, Mike and I went to visit Don Webb at Summer Place a hospice center in El Cajon. He was in good spirits, chatty as always, and telling that he has made peace with himself. He looked good and was happy to see us.

I have continued to water, tend to the plants and clean up the patio every Friday for the enjoyment of all members. I want to thank Chuck Quillen for welding one of the broken patio chairs. You did a great job Chuck! Have you noticed that about 5-6 patio chairs are missing? About two and a half years ago someone borrowed a stack of 10 chairs, they were never returned. This year, I noticed that around the end of June thru July other chairs went missing. We always had 6 chairs to a table and about 8 chairs around the fire pit, now we have about 4 chairs around the fire pit.

Next month, I will start the Christmas Drive for personal care items for the homeless teenagers at the Storefront without my co-chair of many years, Anita Sgobba. If you would like to co-chair this very rewarding event, please contact me. The Storefront is under the auspices of the City of San Diego Youth Services. More information will be forthcoming next month.

Friday, October 30<sup>th</sup> – 7 pm to 10 pm • **Rhea** •

Rhea Makiaris is an East Coast bred, West Coast raised musical sensation. With a natural ear for music and knack for picking up instruments, she is a self-taught riot of a minstrel with a honey voice and a yen for old school R&B. Rhea transports her listeners back to a golden age of music, when all a performer needed to entertain was a guitar and an exceptional voice.

**CLEAN-UP DAY**

Hello everyone! Our clean-up day was a success as usual. Kudos to the Ikuna Koa team as 14 members of the paddling club showed up and worked hard! We also had a couple of eager members, Steele Young and Brian Niznik, who started early and got things going! Chris Dale also came in early to set up the stage for the band later that day. The clean-up crew (in alphabetical order) included:

Jeff Caufield, Carlos Cuervo, Chris Dale, Dave & Tanya DeLong, Mica Gaila, Paula Goleta, Kristen Luther, Cash Martin, Hau Oli Martin, Justice Martin, Kai Martin, Keona Martin, Mikaela Martin, Corey Mitskevich, Brian Niznik, Ian Poirier, Greg Shaw, Eddie Villavicencio, Steele Young

When I arrived, Steele was weed-whacking away, Brian picking up trash and big items from around the boatyard, Chris was setting up the stage, and the Ikuna Koa team was going to town cleaning their equipment and area, including their shed (which as you may have noticed they are currently remodeling and looks amazing!). A crew from Ikuna Koa tackled the massive plants around the front and side of the clubhouse which took the better part of the day and they did an incredible job. Dave was weed-whacking around the fence by the Rose Canyon bike trail and I ended up picking up trash around the whole property. I was pleasantly surprised to only fill one bag. Thank you everyone for doing your best to keep the area clean.

I found the most trash around the lawn. I also found a LOT of cigarette butts not only in the gravel area behind the kitchen but in the sandbox and all around the property and lawn areas. SMOKERS please be mindful and responsible. We have plenty of ashtrays and buckets, not to mention trash cans, for you to dispose of cigarette butts. Our club is a family club with kids and pets, and cigarette butts are toxic to both as they would very likely eat or handle them. So PLEASE DISPOSE OF YOUR CIGARETTE BUTTS PROPERLY!!!

Although we are still bound by social distancing and wearing masks when around others, it was really great to see so many familiar and lovely friends come together to pitch in...and we did it while staying safe! We have yet to schedule our next Clean-Up day, but will most likely be scheduled around mid-January. If you have any ideas for clean-up and projects, please email them to me at [tanya@lเลอร์aplace.net](mailto:tanya@lเลอร์aplace.net). This will help us continue to work on keeping our club beautiful and enjoyable.

As always, we still need some basic tools. If you have any spares you were planning on donating, please contact Corey Mitskevich.

**Thank you again to the clean-up crew, you rock!**

## Health & Wellness By Hayley Gurriell

In the Scuttlebutt and at the Flag Meetings we like to remember members and their families, and acknowledge loved ones that are ill or some that have passed away. On the bright side we like to recognize weddings and the birth of new babies. Please leave any items with the Bartenders or email Hayley Gurriell: [hgurriell@gmail.com](mailto:hgurriell@gmail.com) We will send cards, plants and/or flowers as the occasion warrants.

Flowers were sent to Elena Bishop, whose Father recently passed away.

A plant arrangement was sent to Mike Wood who was in the Hospital earlier in September and is now recovering.

I would like to thank the membership for the beautiful garden basket full of a variety of tropical plants. At a time, when I was not feeling well and also feeling down, to see the arrival of the basket was up lifting. Thank you, all Mike Wood.

Don Webb (Long time member & former Board member) is in hospice care at Summer Place, the address is below. Flowers and candies were sent to him. Cards would be appreciated.

**Mark Penaflor: Re: Golf Tournament**

Hi Y’all Boat Club Members, family and friends! We are still in a temporary holding pattern regarding our [Boat Club Golfing](#) major, as the science, the Governor, our President, and our herd immunity work things out. This gives you more time to hone your golfing (and drinking?) skills, and see if you are up to the task of taking down the reigning champions of team Warren, Penaflor, Penaflor and Dyer, who scored a club record 15 under par at the 2019 Toournament. Pretty amazing. In the mean time, some advice from a pretty cool 4-legged caddie: wash those hands, wear your masks, say it don’t spray it, be socially distant, and birdie up! 4!!!!

## October 2020

As per COVID 19 restrictions outrigger practices remain cancelled until further notice.

**NOTICE TO ALL FLAG MEMBERS AND YOUR GUESTS: Most of the canoes in the yard are turned upside down and on tires. Keep children and dogs away from the canoes, they weigh over 450 pounds.**

At present we are undertaking the task of rebuilding the IK shed attached to the clubhouse. Many thanks to the support of commodores past that have supported the project and handed off to the agreement to his successors, it's getting done.

Also I'd like to thank those on the Ikuna Koa team that volunteered on Clean up day in September at the Boat Club, the canoe area has never looked better.

Since we had to cancel the End of Summer Luau we look forward to planning fundraising events in the near future and look forward to seeing you at those events.

We recently revamped our website please check it out at [www.ikunakoa.com](http://www.ikunakoa.com).

## San Diego Mission Bay Boat & Ski Club

TO ALL MEMBERS:

It has been nearly 6 months now since San Diego, California, the United States, and the world have shut down due to the COVID-19 pandemic. The Club's Board of Directors has worked tirelessly in the past 4 months to get the Club up-and-running again so that we can serve our members in the way they've come to expect, and we've made some significant progress. The Club has reopened on a limited basis Thursday-Sunday including Friday Night Dinner, Sunday Brunch, and Pizza Thursday and Saturday, with occasional entertainment. The Club has also renovated the bathrooms and repaved the parking lot.

However, with the chaos of the last few months, we're seeing a significant number of members becoming delinquent in their accounts, and many members questioning the assessment and AutoPay processes. We want to clarify the ins and outs of the billing process.

**Regular Flag memberships are invoiced on a monthly basis.** This includes the dues and boat storage fees (if applicable). The invoice is generated on the 1<sup>st</sup> of the month unless you're on AutoPay, in which case it's invoiced/charged on the Membership Portal ([www.sdmbbsc.org](http://www.sdmbbsc.org)) on the 15<sup>th</sup> of each month.

**Limited/Associated memberships are billed on an annual basis.** This includes Ikuna Koa, and the Golden State Fly Fishers. The invoice is generated on the 1<sup>st</sup> of the month. AutoPay is not available for this type of membership.

**Food/Beverage/Merchandise assessments are charged to all Flag and Limited memberships on a quarterly basis.** For Flag memberships, the amount is \$90, for Limited memberships, the amount is \$30. The 1<sup>st</sup> quarter is Jan-Mar billed in Apr, the 2<sup>nd</sup> quarter Apr-Jun billed in Jul, the 3<sup>rd</sup> quarter is Jul-Sep billed in Oct, the 4<sup>th</sup> quarter is Oct-Dec billed in Jan.

- You can eliminate or reduce this assessment by spending money at the Club on food, beverages, merchandise, and event tickets. If you spend \$90 (or \$30) during the quarter, you won't have to pay the assessment. Any amount spent less than \$90 (or \$30) is deducted from \$90 (or \$30).
- Food/Beverage/Merchandise assessments **are NOT charged to your card on AutoPay, and must be paid separately.**
- Your statements include line items of what you spend at the Club. This data for the prior month is uploaded at the beginning of the month. Statements issued won't show spending for the current month.
- \*\*\*Due to the pandemic, the Club was closed April/May (the first 2 months of the 2<sup>nd</sup> quarter of 2020), so the assessment was reduced to \$30 (or \$10) because the Club was only available in June.

**One-time/Short-term assessments are occasionally charged to all Flag and/or Limited memberships.** The Board of Directors occasionally call on the membership to help pay for improvement projects that the regular budget doesn't cover.

- Unlike quarterly assessments, these assessments can't be eliminated or reduced in amount.
- As with quarterly assessments, these **are NOT charged to your card on AutoPay, and must be paid separately.**
- This year, the BOD charged \$50 in March for Flag members only, for the bathroom renovation.
- This year, the BOD is charging \$120 for Flag members only, for the parking lot repaving to be billed monthly July-December at \$20/month.

**AutoPay:** While AutoPay makes invoicing/paying significantly easier, **AutoPay doesn't cover all invoices from the Club.** It only covers Dues/Storage Fees. Additionally, the AutoPay system was changed to a new process in January 2020. It appears that many members didn't get the email outlining how to sign up for the new AutoPay system, and have become delinquent. If this is the case, and you want to sign up again for AutoPay, please contact Roger Bradley (Financial Secretary), or Jen Remelb (Secretary) to walk you through the process.

Payments can be made in person at the Club during business hours, on the Membership Portal ([www.sdmbbsc.org](http://www.sdmbbsc.org)), or by Mail using Cash (don't mail), Check, or Credit Card.

Thank you,

Roger Bradley – Financial Secretary
