## Commodore's Quarters

WRITTEN BY STEELE YOUNG

### I love it when a plan comes together!

We have a lot to be proud of regarding our little club. I personally could not be more thrilled with the progress across all 5 Objective Categories. The fun part is what seems to be the domino effect that is perpetuating progress in areas like “Membership Value”, and collaborative benefits.

#### Examples:

Donations to SDMBBSC can now indeed be “tax deductible”. This is now possible through our joint ventures with Angels of OMBAC, a 501.c.3.

You will see in one of the pages that follow, that you are now a member of “The San Diego Counsel of Ski Clubs”. A brand new, no out-of-pocket association with other groups of overlapping interests. Who wants to go skiing in Zermatt Switzerland?

One of our executive board members is currently working on a potential collaboration with a large marine retailer that has potential to help us with a couple of big events that we have hoped for but not yet achieved in the last 2 years.

These are just 3 recent examples of new and exciting opportunities that just seem to pop up in our routine day to day. It gives me a tremendous amount of optimism that improvements to the club will continue, almost regardless of concentrated efforts.

Thanks everyone for bringing your positive energy and creating such a strong sense of community.

## San Diego Youth Kayak Clinic at SDMBBSC

August 21, 2022 marked the last day for the San Diego Youth Kayak Clinic. Starting in July 2022 for 5 hours on Sundays and 1 Saturday. with tide specific start times, SDMBBSC held a kayak and wildlife program for 3-6th grade students from the San Diego Unified School District.

Under Brian Niznik's initiative and leadership we applied for a grant from the San Diego Foundation and awarded a grant over \$17000. Steve McMahon through OMBAC Angel 501c3 was able to administrate the grant for the program. We were able to purchase 10 2-man kayaks, paddles, children's PFD's, radios and whistles. Ocean Connectors, an education consulting firm provided education and wildlife curriculum for the program.

Thanks to all the members for their patience during the Kayak clinics. Special thanks to camp directors; Jenna Toth and Paula Goleta; Coaches Red Pedrick and Mario Larrea; Helping hands from Todd Toth, Kenny Ledgard, Heather Alexander, Dan Baranowski, Hap Ebigghausen, Ron Huber, Midori Doxey, Larry Poole, Greg Shaw, and the bar and galley staff.
